

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over sixty years combined experience with successfully manufacturing, designing, developing, marketing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to offering top quality and new design concepts in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually provides fresh design ideas. They enjoy offering items which energize both their dealers and their partners and provide production gains to their clients.

The TREK team of employees likes new tasks and new challenges. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and needs together with their comprehension of cleaning applications, together with owners' strong desire to dramatically lower cost through productivity gains.

When needed, the employees within TREK and its many dealer members in both parts and in technical support will be available. Among their core values is their high service devotion in their customer service. Keeping their customers' cleaning machinery ready and running day by day is top priority. The company's top of the line technology delivers dependable machinery that eventually lowers your cost of cleaning. The service, the product and the price all work as one to make them the leader in the industry.
