

Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Parts - Ingersoll Rand provides solutions, services and products so as to increase the productivity and ensure efficiency in commercial, residential and industrial surroundings. They pride themselves in delivering products so as to enhance the safety, comfort, security and health of people around the globe all through their four worldwide segments.

The Climate Solutions sector provides a world-class product line of energy efficient HVACR solutions for clients. Thermo King is the leader in transport temperature control, while Hussmann is a maker of food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, building and contracting services, parts support and advanced controls for both residential homes and commercial buildings.

Ingersoll Rand's Industrial Technologies sector provides solutions and products that enhance their clients' productivity, operations and energy efficiency. The product range is diverse ranging from tools and pumps, material and fluid handling systems to complete compressed air systems. They have even developed Club Car, the worldwide leader in utility and golf vehicles intended for companies and people.

Well-known trade names such as Schlage and Trane compromise the Residential Solutions business, providing safety, efficiency and comfort to home owners all over North America. Several of their innovative quality products comprise electronic and mechanical locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

The sector comprising Security Technologies provides products which ensure productive, secure and safe surroundings. This division's market leading products consist of floor and door closers, portable security devices, exit devices, electronic and biometric cabinet hardware, access control systems, steel doors and frames and locks, locksets and decorative hardware. Schlage likewise has products that offer attendance, personal and time scheduling systems.
