Advance-Nilfisk Parts - Think about how tedious it would actually be to clean up your home after having a large party, with no aid from cleaning machines. In the past, when upholstery and carpets had the dirt beat out of them by hand; brooms, cleaning cloths and brushes were the best cleaning supplies during that time.

P.A. Fisker, the founder of Nilfisk-Advance, was an electrical engineer who loved working with electrical motors. Founding the business in 1906, he started to make motors to be able to drive machine tools, coffee grinders, drills and fans. Mr. Fisker's dream from the start was to have a global business marketing merchandise globally.

The Nilfisk C1 was a tremendous breakthrough for the cleaning trade. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and can be operated by a single individual. This creation came in a time where various cleaning machines were massive and needed 4 or more operators, therefore, the Nilfisk C1 transformed everything and evolved the manner we clean forever. The mastermind behind these first cleaning equipment remains unparalleled. Cleaning equipment provide an excellent solution to an existing dilemma; stuff get dirty and must be cleaned on a regular basis, without a lot of effort.

Gradually but progressively, Nilfisk-Advance expanded throughout the years. In the 1980s, this expansion truly happened when the company became a part of the NKT Group. Their new owners' determination and focus made Nilfisk-Advance take a huge leap forward within the trade, trying to be amongst the leading global players in the market of professional cleaning machines. Nilfisk-Advance is presently found in all parts of the globe by gradually obtaining many small companies so as to grow their product portfolio and presence in new markets. They are really proud to offer different cleaning solutions to fit each need.
