

American Lincoln Parts

American Lincoln Parts - Now connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. In the business they are known in the industry as providing strong and durable equipment that meets the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These scrubbers are accessible in the market under the brand name "Encore". American Lincoln could supply machinery, parts and warranty service for these scrubbers which have both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility managers where efficiency and results make a difference. Recently, this floor scrubber model has been used by the architects in various construction projects such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this particular sweeper scrubber on location due to the model's supreme performance level and excellent quality for polishing concrete.
